INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Abhishek Panja**, a student of B.Tech (Computer Science & Engineering) at PlaceCampus Institute of Technology, has successfully completed an internship with our **Platform Engineering** team as a **Software Development Intern** from **01 June 2026 to 31 July 2026**.

During the internship, Abhishek worked on the following:

- Built REST API endpoints in **Java** with **Spring Boot** for the internal billing service.
- Wrote and optimised **SQL** queries on PostgreSQL, reducing report generation time by about 35%.
- Followed a **Git**-based code-review workflow and wrote unit tests with JUnit.

Area	Rating
Technical skills	Excellent
Problem solving	Very good
Communication & teamwork	Excellent
Punctuality	Excellent

We found him sincere, hardworking and quick to learn. We wish him every success in his future endeavours.
