PlaceCampus Institute of Technology
Final-Year Major Project: Certificate of Evaluation

Department of Computer Science & Engineering
Knowledge Park, Hyderabad, Telangana 500081

Ref: PIT/CSE/MP/2026/017

Date: 20 October 2026

PROJECT COMPLETION CERTIFICATE

This is to certify that the project entitled **"PlaceCampus: Unified Placement & Student Readiness Platform"** is a bonafide work carried out by **Abhishek Panja** as part of the B.Tech (CSE) major project during 2026.

Item	Details
Description	A full-stack platform that verifies student skills from evidence (OCR and AI-assisted checks with faculty review), computes explainable readiness scores, matches students to placement drives and generates preparation plans.
Technology stack	Next.js, React, TypeScript, Tailwind CSS, Node.js (NestJS), MongoDB, REST API, JWT authentication
Repository	github.com/PANJA-ABHISHEK/PlaceCampus
Evaluation	Internal review: 46 / 50 · Demonstration: Excellent

The project was evaluated by the departmental review committee and found satisfactory in design, implementation and documentation.
