Date: 15 November 2025

MINI PROJECT CERTIFICATE

This is to certify that the mini project entitled **"Smart Attendance System using Face Recognition"** was designed and implemented by **Abhishek Panja** during the fifth semester of B.Tech (CSE).

Item	Details
Description	Recognises students from a classroom camera feed and records attendance automatically, with a dashboard for faculty and monthly reports.
Technology stack	Python, OpenCV, Machine Learning (face embeddings with k-NN classification), SQL (MySQL), Flask
Results	94.6% recognition accuracy on a dataset of 60 students; attendance time reduced from 8 minutes to under 1 minute per class.
Evaluation	Grade: A+
